

CS 250 GROUP CONTRACT

Caroline Wilkins (cwilkins5755), Yearly Gonzalez (ygonzalez1466@sdsu.edu), Ken Robinson (krobinson7487@sdsu.edu)

Repo: <https://github.com/Pokariio/CS250-Fall23-Group18>

Ground Rules:

- (1) Keep up to date with information in the group chat. Keep open lines of communication and respond in a timely manner.
- (2) Try to compromise and make adjustments
- (3) Divvy up job roles and make sure that responsibilities are split evenly.
- (4) Be respectful of everyone's grades and finish assignments promptly.

Main Mode of Communication:

GroupMe messaging app: https://groupme.com/join_group/96881930/31krI5eo

Group Meeting time:

Tuesdays before class time @2pm

Group Leader/Final Submission:

Ken Robinson

Team Name:

Null Pointers

Group Motto:

"There's no I in TEAM."

Three Things to Avoid:

- (1) Avoid waiting until the last minute without prior communication with group members.
- (2) In the event of oral presentations, divide the speaking evenly to avoid one member having all of the responsibility
- (3) Avoid failing to communicate entirely or possibly ghosting other team members by keeping up with the team group chat.

I function best in groups when....

"Everyone has a positive attitude and consistently communicates/collaborates." -Caroline

"Everyone completes their work by the deadline." -Ken

"No one team member is carrying the team." - Yearly

I really hope our group can...

“Collaborate efficiently and get a good grade on our assignments.” -Ken

“Win.” - Yearly

“Get the best grade.” -Caroline
